

has authority over the design, administration, or instruction in the course, including, but not limited to—

(1) Establishing the requirements for successful completion of the course;

(2) Delivering instruction in the course; or

(3) Assessing student learning.

(h) *Non-applicability to other interactions with outside entities.* Written arrangements are not necessary for, and the limitations in this section do not apply to—

(1) Acceptance by the institution of transfer credits or use of prior learning assessment or other non-traditional methods of providing academic credit; or

(2) The internship or externship portion of a program if the internship or externship is governed by accrediting agency standards, or, in the case of an eligible foreign institution, the standards of an outside oversight entity, such as an accrediting agency or government entity, that require the oversight and supervision of the institution, where the institution is responsible for the internship or externship and students are monitored by qualified institutional personnel.

§§ 668.6–668.7 [Reserved]

§ 668.8 Eligible program.

(a) *General.* An eligible program is an educational program that—

(1) Is provided by a participating institution; and

(2) Satisfies the other relevant requirements contained in this section.

(b) *Definitions.* For purposes of this section—

(1) The Secretary considers the “equivalent of an associate degree” to be—

(i) An associate degree; or

(ii) The successful completion of at least a two-year program that is acceptable for full credit toward a bachelor’s degree and qualifies a student for admission into the third year of a bachelor’s degree program;

(2) A week is a consecutive seven-day period; and

(3)(i) The Secretary considers that an institution provides one week of instructional time in an academic program during any week the institution provides at least one day of regularly scheduled instruction or examinations, or, after the last scheduled day of classes for a term or a payment period, at least one day of study for final examinations.

(ii) Instructional time does not include any vacation periods, homework, or periods of orientation or counseling.

(c) *Institution of higher education.* An eligible program provided by an institution of higher education must—

(1) Lead to an associate, bachelor’s, professional, or graduate degree;

(2) Be at least a two-academic-year program that is acceptable for full credit toward a bachelor’s degree; or

(3) Be at least a one-academic-year training program that leads to a certificate, or other nondegree recognized credential, and prepares students for gainful employment in a recognized occupation.

(d) *Proprietary institution of higher education and postsecondary vocational institution.* An eligible program provided by a proprietary institution of higher education or postsecondary vocational institution—

(1)(i) Must require a minimum of 15 weeks of instruction, beginning on the first day of classes and ending on the last day of classes or examinations;

(ii) Must be at least 600 clock hours, 16 semester or trimester hours, or 24 quarter hours;

(iii) Must provide undergraduate training that prepares a student for gainful employment in a recognized occupation; and

(iv) May admit as regular students persons who have not completed the equivalent of an associate degree;

(2) Must—

(i) Require a minimum of 10 weeks of instruction, beginning on the first day of classes and ending on the last day of classes or examinations;

(ii) Be at least 300 clock hours, 8 semester or trimester hours, or 12 quarter hours;

(iii) Provide training that prepares a student for gainful employment in a recognized occupation; and

(iv)(A) Be a graduate or professional program; or

(B) Admit as regular students only persons who have completed the equivalent of an associate degree;

(3) For purposes of the FFEL and Direct Loan programs only, must—

(i) Require a minimum of 10 weeks of instruction, beginning on the first day of classes and ending on the last day of classes or examinations;

(ii) Be at least 300 clock hours but less than 600 clock hours;

(iii) Provide undergraduate training that prepares a student for gainful employment in a recognized occupation;

(iv) Admit as regular students some persons who have not completed the equivalent of an associate degree; and

(v) Satisfy the requirements of paragraph (e) of this section; or

(4) For purposes of a proprietary institution of higher education only, is a program leading to a baccalaureate degree in liberal arts, as defined in 34 CFR 600.5(e), that—

(i) Is provided by an institution that is accredited by a recognized regional accrediting agency or association, and has continuously held such accreditation since October 1, 2007, or earlier; and

(ii) The institution has provided continuously since January 1, 2009.

(e) *Qualitative factors.* (1) An educational program that satisfies the requirements of paragraphs (d)(3)(i) through (iv) of this section qualifies as an eligible program only if—

(i) The program has a substantiated completion rate of at least 70 percent, as calculated under paragraph (f) of this section;

(ii) The program has a substantiated placement rate of at least 70 percent, as calculated under paragraph (g) of this section;

(iii) The institution can demonstrate reasonable program length, in accordance with § 668.14(b)(26); and

(iv) The program has been in existence for at least one year. The Secretary considers an educational program to have been in existence for at least one year only if an institution has been legally authorized to provide, and has continuously provided, the program during the 12 months (except for normal vacation periods and, at the

discretion of the Secretary, periods when the institution closes due to a natural disaster that directly affects the institution or the institution's students) preceding the date on which the institution applied for eligibility for that program.

(2) An institution shall substantiate the calculation of its completion and placement rates by having the certified public accountant who prepares its audit report required under § 668.23 report on the institution's calculation based on performing an attestation engagement in accordance with the Statements on Standards for Attestation Engagements of the American Institute of Certified Public Accountants (AICPA).

(f) *Calculation of completion rate.* An institution shall calculate its completion rate for an educational program for any award year as follows:

(1) Determine the number of regular students who were enrolled in the program during the award year.

(2) Subtract from the number of students determined under paragraph (f)(1) of this section, the number of regular students who, during that award year, withdrew from, dropped out of, or were expelled from the program and were entitled to and actually received, in a timely manner a refund of 100 percent of their tuition and fees.

(3) Subtract from the total obtained under paragraph (f)(2) of this section the number of students who were enrolled in the program at the end of that award year.

(4) Determine the number of regular students who, during that award year, received within 150 percent of the published length of the educational program the degree, certificate, or other recognized educational credential awarded for successfully completing the program.

(5) Divide the number determined under paragraph (f)(4) of this section by the total obtained under paragraph (f)(3) of this section.

(g) *Calculation of placement rate.* (1) An institution shall calculate its placement rate for an educational program for any award year as follows:

(i) Determine the number of students who, during the award year, received

the degree, certificate, or other recognized educational credential awarded for successfully completing the program.

(ii) Of the total obtained under paragraph (g)(1)(i) of this section, determine the number of students who, within 180 days of the day they received their degree, certificate, or other recognized educational credential, obtained gainful employment in the recognized occupation for which they were trained or in a related comparable recognized occupation and, on the date of this calculation, are employed, or have been employed, for at least 13 weeks following receipt of the credential from the institution.

(iii) Divide the number of students determined under paragraph (g)(1)(ii) of this section by the total obtained under paragraph (g)(1)(i) of this section.

(2) An institution shall document that each student described in paragraph (g)(1)(ii) of this section obtained gainful employment in the recognized occupation for which he or she was trained or in a related comparable recognized occupation. Examples of satisfactory documentation of a student's gainful employment include, but are not limited to—

(i) A written statement from the student's employer;

(ii) Signed copies of State or Federal income tax forms; and

(iii) Written evidence of payments of Social Security taxes.

(h) *Eligibility for Federal Pell Grant, ACG, National SMART Grant, TEACH Grant, and FSEOG Programs.* In addition to satisfying other relevant provisions of the section—

(1) An educational program qualifies as an eligible program for purposes of the Federal Pell Grant Program only if the educational program is an undergraduate program or a postbaccalaureate teacher certificate or licensing program as described in 34 CFR 690.6(c);

(2) An educational program qualifies as an eligible program for purposes of the ACG, National SMART Grant, and FSEOG programs only if the educational program is an undergraduate program; and

(3) An educational program qualifies as an eligible program for purposes of the TEACH Grant program if it satisfies the requirements of the definition of TEACH Grant-eligible program in 34 CFR 686.2(d).

(i) *Flight training.* In addition to satisfying other relevant provisions of this section, for a program of flight training to be an eligible program, it must have a current valid certification from the Federal Aviation Administration.

(j) *English as a second language (ESL).*

(1) In addition to satisfying the relevant provisions of this section, an educational program that consists solely of instruction in ESL qualifies as an eligible program if—

(i) The institution admits to the program only students who the institution determines need the ESL instruction to use already existing knowledge, training, or skills; and

(ii) The program leads to a degree, certificate, or other recognized educational credential.

(2) An institution shall document its determination that ESL instruction is necessary to enable each student enrolled in its ESL program to use already existing knowledge, training, or skills with regard to the students that it admits to its ESL program under paragraph (j)(1)(i) of this section.

(3) An ESL program that qualifies as an eligible program under this paragraph is eligible for purposes of the Federal Pell Grant Program only.

(k) *Undergraduate educational program in credit hours.* If an institution offers an undergraduate educational program in credit hours, the institution must use the formula contained in paragraph (l) of this section to determine whether that program satisfies the requirements contained in paragraph (c)(3) or (d) of this section, and the number of credit hours in that educational program for purposes of the title IV, HEA programs, unless—

(1) The program is at least two academic years in length and provides an associate degree, a bachelor's degree, a professional degree, or an equivalent degree as determined by the Secretary; or

§ 668.9

34 CFR Ch. VI (7–1–21 Edition)

(2) Each course within the program is acceptable for full credit toward completion of an eligible program offered by the institution that provides an associate degree, bachelor's degree, professional degree, or equivalent degree as determined by the Secretary, provided that—

(i) The eligible program requires at least two academic years of study; and

(ii) The institution can demonstrate that at least one student graduated from the program during the current award year or the two preceding award years.

(1) *Formula.* For purposes of determining whether a program described in paragraph (h) of this section satisfies the requirements contained in paragraph (c)(3) or (d) of this section, and the number of credit hours in that educational program for the purposes of the title IV, HEA programs—

(1) A semester or trimester hour must include at least 30 clock hours of instruction; and

(2) A quarter hour must include at least 20 clock hours of instruction.

(m) An otherwise eligible program that is offered in whole or in part through telecommunications is eligible for title IV, HEA program purposes if the program is offered by an institution, other than a foreign institution, that has been evaluated and is accredited for its effective delivery of distance education programs by an accrediting agency or association that—

(1) Is recognized by the Secretary under subpart 2 of part H of the HEA; and

(2) Has accreditation of distance education within the scope of its recognition.

(n) For Title IV, HEA program purposes, *eligible program* includes a direct assessment program approved by the Secretary under § 668.10 and a comprehensive transition and postsecondary program approved by the Secretary under § 668.232.

§ 668.9 Relationship between clock hours and semester, trimester, or quarter hours in calculating Title IV, HEA program assistance.

(a) In determining the amount of Title IV, HEA program assistance that a student who is enrolled in a program described in § 668.8(k) is eligible to receive, the institution shall apply the formula contained in § 668.8(1) to determine the number of semester, trimester, or quarter hours in that program, if the institution measures academic progress in that program in semester, trimester, or quarter hours.

(b) Notwithstanding paragraph (a) of this section, a public or private non-profit hospital-based school of nursing that awards a diploma at the completion of the school's program of education is not required to apply the formula contained in § 668.8(1) to determine the number of semester, trimester, or quarter hours in that program for purposes of calculating Title IV, HEA program assistance.

§ 668.10 Direct assessment programs.

(a)(1) A direct assessment program is a program that, in lieu of credit or clock hours as the measure of student learning, utilizes direct assessment of student learning, or recognizes the direct assessment of student learning by others. The assessment must be consistent with the accreditation of the institution or program utilizing the results of the assessment.

(2) Direct assessment of student learning means a measure of a student's knowledge, skills, and abilities designed to provide evidence of the student's proficiency in the relevant subject area.

(3) An institution must establish a methodology to reasonably equate each module in the direct assessment program to either credit hours or clock hours. This methodology must be consistent with the requirements of the institution's accrediting agency or State approval agency.

(4) All regulatory requirements in this chapter that refer to credit or clock hours as a measurement apply to
